SAVE UP TO 25% !!

Dear Mr. Strawberry Grower:

By placing your growing contracts on strawberry plants for next year *NOW*, you can **SAVE UP TO 25%**, and **INSURE YOURSELF OF THE CREAM OF THE CROP!**

If you'd like to *DOUBLE YOUR PROFITS . . . INCREASE YOUR YIELD . . . AND IMPROVE THE QUALITY OF YOUR CROP*, you'll certainly be interested in our new, improved strains of strawberry plants.

All our varieties have been produced by Mr. S. E. Mullins, after years of careful scientific testing and selection. During his long tenure of office as State Agricultural Agent, Mr. Mullins, realizing the deplorable condition in the strawberry growing industry, decided to try his hand at producing a more dependable, finer quality strawberry.

The result is that we can now offer you what we believe to be the **WORLD'S FINEST STRAWBERRY PLANTS!**

By reports from all over the country, these plants are . . . *THE FASTEST GROWING PLANTS EVER PRODUCED . . . HARDIER . . . MORE PRODUCTIVE*. In fact, they will produce up to **25% MORE HIGH QUALITY BERRIES PER PLANT**. They have well developed root systems and produce the **HIGHEST QUALITY STRAWBERRIES GROWN ANYWHERE!**

Among our many improved varieties are several recommended for keeping their rich color under quick freezing. All our plants are grown on disease-free land, doubly inspected by the State Agricultural Department.
